

NEIGHBOR DATA SHEET

As part of the process of making our Neighborhood Watch work effectively, we are compiling this profile of our neighbors. This data will prove valuable in emergencies and allow us to say "We Watch Out For Each Other!" Each block captain, and no one else, will receive a copy of the completed sheets for their use. Participation is voluntary. Provide only information you are comfortable sharing and return it to your block captain or bring it to our next Neighborhood Watch meeting.
